

“Go, therefore, and make disciples of all nations...”  
–Matthew 28:19

Across North America, churches are closing at an unprecedented rate. Every closed church represents a Gospel witness that has been extinguished; a fault line in our culture. And at Cross Church, we believe every fault line is a front line for ministry. God has uniquely positioned our church to step into these places with strength, courage, and resources.

We've seen Him do it again and again:

- Our Phoenix location grew from zero to over 150 people.
- Cornville began with 12 people and saw more people baptized in one day than originally attended.
- El Mirage grew from zero to 200+ in under two years and has already outgrown its space.

As this national trend accelerates, the door for Gospel impact is wide open and God is calling Cross Church to take our greatest step of faith yet.

Let's Go is our response to Jesus' command: **Go.** (Matt. 28:19-20)

## OUR GOALS

### ► HONOR GOD.

We commit to keeping Jesus at the center of this initiative, seeking Him through prayer and pursuing only what brings Him glory.

### ► 100% ENGAGEMENT.

**Let's Go** is first about discipleship, not dollars. Our goal is for every person at Cross Church to fully participate and simply do what God asks.

### ► RESOURCE THE MISSION

This initiative will fuel ongoing ministry, expand locations, and advance the Gospel locally, nationally, and globally.

## WHAT IS A ONE FUND INITIATIVE

For the next two years, every gift at Cross Church will flow into one unified fund called **Let's Go**. Instead of dividing giving into separate buckets such as general ministry, building projects, or missions, this single fund supports the entire ministry and mission of our church. A one fund approach reflects the reality that everything we do is connected. Weekly ministry, discipleship, community outreach, location expansion, revitalizing churches, and advancing the Gospel locally and globally all move forward together through **Let's Go**.

**Let's Go** brings all of this together under one mission and invites every person at Cross Church to participate in what God is doing. We believe this approach strengthens unity, simplifies generosity, and allows our church family to step forward in faith as one church pursuing one mission through one initiative.

**Let's Go** is not just about funding projects.

It is about all of us joining God in the Gospel movement He is calling us to.

## WHAT'S NEXT?

*As we follow Jesus and Make Him Known, here are three steps we invite you to take as we say "Let's Go!" as a church family.*

### PRAY

Seek God's direction for your life, your family, and our church as we pursue our calling to Make Jesus Known. Ask Him to prepare your heart and to open doors for the Gospel in every community we serve.

### ENGAGE

Be present in worship, connect in a Bible Group, and serve faithfully as part of the Cross Church family. We believe God uses fully engaged followers of Jesus to Make Him Known in powerful ways.

### GIVE

Ask God how He is calling you to participate in **Let's Go** and trust Him with the step He places on your heart. Your gifts fuel the ministry as we expand to new locations and take the hope of Jesus to places we could never reach alone.
